TOOLS & PLATFORMS

Julie Mendez

Senior Brand & Web Designer | Austin, TX

Senior brand and web designer with 15+ years of experience creating brand systems, marketing websites, and cross-channel design for SaaS and corporate clients. I partner with founders, marketers, and internal teams to turn business goals into polished, high-performing visual experiences. I use AI-enabled workflows to speed exploration and production while maintaining quality.

Key

- ✓ 15+ years of experience
- ✓ End-to-end website redesigns and brand systems
- ✓ AI-enabled workflows that improve speed, iteration, and quality
- ✓ Recent web redesign increased traffic by 500% in 2 months

Highlights

Professional Experience

Design Matters Studio

SENIOR BRAND & WEB EXPERIENCE DESIGNER | 2018–PRESENT

Lead rebrands, website redesigns, and cross-channel design projects for SaaS, corporate, and growth-stage clients, partnering directly with founders, CMOs, and internal teams from strategy through launch.

- Built a referral-driven freelance practice serving **clients in various industries**, with many developing into **long-term repeat relationships**
- Partner with executive stakeholders to translate business goals into scalable brand systems, marketing websites, and cross-channel creative
- Direct projects from discovery through rollout, collaborating with copywriters, contractors, and developers
- Led a recent redesign that **increased traffic by 500%** and page views by 670% within **2 months**
- **Integrate AI into design workflows** to speed research, iteration, and production without compromising quality or brand consistency

Fourth by HotSchedules

LEAD MARKETING DESIGNER | 2015–2018

Led brand and marketing design across digital campaigns, web, and customer-facing materials for a fast-paced restaurant technology company.

- Contributed to a 60% YoY increase in bookings from marketing-sourced leads
- Helped drive a 21% increase in web traffic and 20% increase in session duration
- Supported a branded help center serving 30,000+ monthly visitors

State Preservation Board

RETAIL MARKETING PRODUCT DESIGNER | 2013–2014

Developed branded retail and marketing design for Texas Capitol and state-history merchandise, combining strong visual design with revenue-focused merchandising support.

U.S. Army

CHEMICAL OPERATIONS SPECIALIST | 2000–2004

Led teams, trained personnel, and managed critical operations in combat environments.
